Dear Parents / Guardians,

Although there has been a national change in Covid isolation rules these do not apply in schools. We will continue with the current system of self-isolation until at least April 8th. This information can be found at: <https://gov.wales/schools-coronavirus-guidance>

### **We will be amending our morning arrangements from Wednesday morning to the following:-**

- a) Nursery children are escorted to the Nursery yard by their parents/guardians and transferred to the staff at the Nursery door and parents will exit through the usual route (left hand car park gates)
- b) The rest of the school children (Reception to year 6) will be escorted by their parents/guardians to the steps in front of the of the main entrance and enter the building via the main entrance. Once they enter the main building they immediately head in 3 different directions and walk towards the three internal wings within the main school building. They will be greeted by a member of staff at the bottom of the stairs and there will be a Teaching assistant at the double doors in the hall to direct the younger children. Parents will exit through the left hand car park gates.
- c) Immersion Class Pupils - Immersion class teacher will wait at the big black gates ready to receive the immersion children.

The Caretaker will continue to monitor bused children. Please ensure your children are in school by 8:55

Regards,

Lona Jones-Campbell (Executive Headteacher)
