CYN / BEFORE

Dear Parents / Guardians,

As part of our celebration week "Stories - Door to the World of Imagination" -24/3/23 we will revisit ideas from our children to transform a cupboard in the Hall to store magical books which will be used as prizes for our children. **We need a small group of people to transform it:**

- **preparation before painting;**
- **wipe the walls clean;**
- **and paint it white.**

We look forward to sharing the before and after pictures after the work is finished! Please contact the office as soon as possible if you can help us.

Regards
